Letter no. A.S.C 3196/41 dated 11.12.43
Requests sanction for the continuance
of the temporary Bill Collector on Rs 15/- per
month & a peon on Rs 10/- for collection of
Mohar tax in the Chintamani Town Mpts.

The employment of two Bill Collectors
on Rs 15/- each per month and a peon on Rs 10/-
was sanctioned in G.O. dated 28.9.39 (Regd.)
during the year 1939-40. It is seen from
the records that the post of one of the
Bill Collectors was abolished as per D.C.'s memo
no. 20 A.S.C 1740/39-40 of 20.1.40 and one
Bill Collector was kept on up to the end of
June 1940 and continued during the years
1940-41, 1941-42, 1942-43. In the year
last mentioned, a resolution was passed
to make the appointment of the one
Bill Collector and the peon permanent with
a revised scale of pay. As a final result
in the case, the D.C. has now recommended
the continuance of the Bill Collector during
1943-44 and the peon also with an
observation to the effect on having
continued the Bill Collector for these
years without obtaining sanction of
Govt.

(2) In forwarding herewith the file of correspondence ending with the report No P C 16/42-43 dated 9-9-43 of the President Town Municipal Council Chintamani re the additional establishment entertained for collection work in the said Municipality I have the honour to state that it is reported that a temporary establishment consisting of two Bill collectors on Rs 15/- each per mensem and one peon on Rs 10/- per mensem was sanctioned to be continued in this Municipality during the year 39-40 (Vide C O No L 3360-1/11 35-39-35 dated 28-9-43) and that though the term of the establishment expired on 30-6-40, it was continued wholesale except for one Bill collector on Rs 15/- without obtaining sanction for the continuance during the subsequent years, on the presumption ~~that~~ that no specific sanction was necessary because the expenditure on that account had been provided for in the annual Budget Estimates which were sanctioned by Government. At their meeting held on 30-4-42, the Municipal ^{Council} resolved that the temporary establishment prevailing at the time might be made permanent with effect from 1/7/42 and that the scale of pay of the Bill Collector be converted from a fixed pay of Rs 15/- to one in grade 15-1-20.

2 It is gathered from the accounts of this Municipality that the amount of Chatarfa collected during the past five years was as set out in the margin, the balance of Chatarfa outstanding at

1 1938-39	8060- 5-10
2 1939-40	8284- 9-9
3 1940-41	7746- 2-4 ✓
4 1941-42	8048-14-10
5 1942-43	10221- 0-0

the end of the year 42-43 being Rs

8702/- From these figures it cannot be concluded that the collection

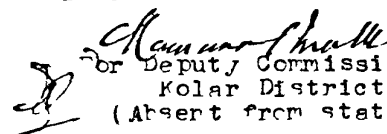

work in this Municipality has been satisfactory. The Municipality has at present an establishment consisting of a Revenue Inspector on Rs 40/- per mensem a Bill collector on Rs 15/- per mensem and a peon on Rs 10/- per mensem exclusively for collection work and the collection made during the previous years does not

appear to be commensurate with the expenditure incurred on the staff employed therefor. In these circumstances I cannot agree with the proposal of the Municipal Council to place the temporary establishment on a permanent basis and to allow a revision of the Mill collector's pay, until the collection work improves.

3. The continuance of the temporary establishment from 17-40 upto date without obtaining sanction therefor is irregular. However in view of the ~~xxxxx~~ circumstances cited above the action of the Municipal Council in having continued the establishment during the years 40-41, 41-42 and 42-43 may be kindly ratified and its continuance during 43-44 may also be kindly sanctioned by Government, the irregularity being however being pointed out to the president with instructions to avoid giving room for them again.
